

## DELIGHTFULLY PUZZLED CL

Date of Birth: 03/20/2020  
Registration 1: CI329947

Courtesy of Black and Blue Quarter Horses

We are pretty proud of this young cow. Her dam is a grand-daughter of JP Rio Grande and carries Winchester blood as well. With Brazos Rebel 636 being her sire, she has a double dose of JP Rio Grande. She is built well and has nice horn growth. She has a lot of redness in her horns at their base. She has a bull calf out of HL Apache Cowboy. He has turned out to be really special.
